Bella Cosmetica

I Am very pleased with the re-surfacing
technic that was performed by Dr. M. Bath,

While comparing the recent AD for Lifestyle Lift,
I found that my complexion AND OVER ALL
SKIN TONE WAS SUPERIOR TO THE SURGERY
PROCEDURE IN THE AD.

Given that I am only 10 yrs older than
the model shown, I feel that we are a
good comparison for what can be done
without surgery.

I would recommend Dr. Bath's technic
for re-surfacing, AND also, recommend a
wonderful Pelleve' treatment ever six
months, to enhance the facial tone &
complexion.

P.S. you may use my testimony in its entirety
OR revise if needed

Sincerely,
Rich A. Holmes
